

Food Contact Compliance Statement

Date / Rev: 15.04.2011

Product: Ertacetal C Black Round Rods

We hereby provide the following information based on the compliance status of the raw materials used at present by our partner Quadrant Engineering Plastic Products for the manufacture of the stock shapes mentioned above, with respect to their composition, as set out in the regulations that apply in the United States of America (FDA) for plastic materials and articles intended to come into contact with foodstuffs.

- Ertacetal C Black Round Rods comply with the compositional requirements of the FDA regulations 21 CFR 177.2470 "Polyoxymethylene Copolymer" 21 CFR 178.3297 "Colourants for Polymers" as well as those of other applicable FDA regulations.
