

Food Contact Compliance Statement

Date / Rev: 15.04.2011

Product: PPSU 1000 Black Stock Shapes

We hereby provide the following information based on the compliance status of the raw materials used at present by our partner Quadrant Engineering Plastic Products for the manufacture of the stock shapes mentioned above, with respect to their composition, as set out in the regulations that apply in the United States of America (FDA) for plastic materials and articles intended to come into contact with foodstuffs.

- PPSU 1000 Black complies with the compositional requirements of the Food Contact Notification (FCN) Number 83 “Poly (oxy(1,1'-biphenyl) -4,4'-diyloxy -1,4-phenylenesulfonyl -1,4-phenylene)” of the American Food and Drug Administration’s (FDA) Inventory of Effective Notifications for Food Contact Substances (FCS) and the FDA regulation 21 CFR 178.3297 “Colourants for Polymers”.
