

# Perspex Metropolitan Range

## Stylish urban design with an edge

Perspex Metropolitan is the latest stylish addition to the Lucite International portfolio.

The inspiration for this unique new material comes from the world's most iconic cities. Encompassing urban flavour and style, this is an eye-catching acrylic with a designer feel.

From the front Perspex Metropolitan is beautifully transparent, from the side it offers a striking and highly defined edge effect.

## High Definition

- ❖ Urban chic – Stylish urban design with an edge.
- ❖ Clear class – Transparent, with an intense-toned edge inherent in the sheet.
- ❖ Headline colours – Monotoned colour palette and tailored tinting.
- ❖ Bespoke versatility – Ability to be cut, shaped, polished and fabricated, whilst maintaining the defined edge colour.

The perfect partner to a contemporary design, Perspex Metropolitan has a style-savvy look that is ideal for a variety of purposes, including sleek and sophisticated furniture, urban-chic fittings, strikingly defined merchandising displays and head-turning architectural pieces.
